

**La MADRE
BAKERY**

Wholesale Information

La Madre Bakery was born in 2003 out of passion and a love of good bread. Family owned, we are one of the leading artisan bakeries in Australia specialising in handmade breads, pastries and sweet treats. Our vision has remained constant since our humble beginnings to deliver genuine freshly baked goodness all day, every day.

Handmade

Using nothing more adaptable than our bakers' hands, every product is created with loving attention. We uphold the traditional techniques of artisanal baking to ensure each loaf or sweet treat is of the highest standard.

Local

La Madre (Italian for 'The Mother') represents the generations-old culture that we use to make our breads. We scour the land for the finest ingredients using freshly milled sustainable flours, biodynamic vine fruits from Mildura and butter from Gippsland.

Uncompromising service

From our modern sustainable baking facility we supply customers of all sizes throughout Victoria including gourmet food stores, cafes, hotels and caterers. Products are delivered fresh each morning by a network of trusted distributors 365 days a year.

Our breads and pastries are baked fresh every day and delivered to our hospitality partners from Geelong to Melbourne and throughout Country Victoria including major regional cities Ballarat and Bendigo.

HOW IT WORKS

Request your samples

Contact our customer service team and we will work with you to discuss which items best suit your needs, we'll also discuss deliveries. Once we have determined what you would like, we will process a sample order and organise delivery or depending on location one of our Account Managers will deliver them to you directly.

Open your account

We'll send you our credit application form and personal guarantee. Once they're complete, email them back to us and we'll set up your account. Please allow 48 hours for all new account setups.

Place your order

The easiest way to place orders is via our online platform [Ordermentum](#), it's a really efficient way of working with us and can be accessed via your desktop, tablet or mobile device. You'll be able to view our product range, setup standard orders, place or amend existing orders and also setup automatic payments via credit or debit card. You can also place your orders via phone or email if you prefer.

If you would like to quickly connect with us scan the QR code and you can place an immediate order for delivery with a 3-day lead time.
